	Stabilizing bar	Not possible		
Service	Checking of measurements	Included in the price		
	Mounting	Possible at an additional cost - Mandatory for UV bonding		
	Mounting guidelines	Available		
Technical Details	Advice	A profile or glass must always be placed on the tiling. Otherwise, this can lead to issues with waterproofing.		
		<p>If it turns out that the profile cannot be built in. This profile can also be used for surface mounting</p> <p>When preparing, take into account the size and weight of the glass. Can the glass be brought into and installed in the bathroom.</p>
