	Mounting guidelines	Available	
Technical Details	Advice	<p>A profile or glass must always be placed on the tiling. Otherwise, this can lead to issues with waterproofing.</p> <p>If it turns out that the profile cannot be built in. This profile can also be used for surface mounting</p> <p>When preparing, take into account the size and weight of the glass. Can the glass be brought into and installed in the bathroom.</p>
