1 wall profile with integrated closet
 Black matte (099), White Matte (088)

Stabilisation bar at 90°
 Possible with price supplement
 Possible with price supplement
 Available

Standard: width is the width of glass + profile
 Customized: we adapt the glass to your demand. This is from tile to the end of the glass

Adjustibility = 100mm
 A profile or glass should always be put on the tiles.
 If not, this can give issues on watertightness
 Keep dimensions and weight of the glass in mind when preparing.
 Can the glass be brought into the bathroom?
