	Finishing ###	Blinkend (011), Mat (001), Zwart Mat (099), Wit Mat (088), Optic Gun Grey (077), Optic Brushed Nickel (023), Optic Brushed Champagne (034)																								
	Stabilisation bar	Stabilisation bar 90°																								
Service	Measuring	Possible with price supplement																								
	Mounting	Possible with price supplement																								
	Mounting instructions	Available																								
Technical details	Advice	<p>Standard: width is the width of glass + profile</p> <p>U-shaped profile gives +3,5 mm / -3,5 mm flexibility</p> <p>A profile or glass should always be put on the tiles.</p> <p>If not, this can give issues on watertightness</p> <p>Keep dimensions and weight of the glass in mind when preparing.</p> <p>Can the glass be brought into the bathroom?</p>
