Service	<b>Measuring</b>	Possible with price supplement		
	<b>Mounting</b>	Possible with price supplement		
	<b>Mounting instructions</b>	Available		
Technical Details	<b>Advice</b>	<p><b>Customized:</b> we adapt the glass to your demand. This is from tile to the end of the glass</p> <p>A profile or glass should always be put on the tiles. If not, this can give issues on watertightness Keep dimensions and weight of the glass in mind when preparing. Can the glass be brought into the bathroom?</p>		

### Stabilisation bar
