	Glass treatments	104 Extra transparant	107 Green	
		109 Aquaclean	110 Zone intime	111 Zone à la carte
Finishing	Caracteristics	1 Corner profile		
	Finishings	Shiny (011), Black matte (099)		
	Stabilisation bar	Delivered with 212 Modulo		
Service	Measuring	Possible with price supplement		
	Mounting	Possible with price supplement		
	Mounting instructions	Available		
Technical details	Advice	<b>Standard:</b> width is the width of glass + profile		
		<b>Customized:</b> we adapt the glass to your demand. This is from tile to the end of the glass		
		A profile or glass should always be put on the tiles. If not, this can give issues on watertightness		
		Keep dimensions and weight of the glass in mind when preparing. Can the glass be brought into the bathroom?
